

REMARKS

Applicant has carefully reviewed the Office Action dated September 9, 2004. Claims 1-20 are pending in this application. Applicant has amended Claims 1 and 11 to more clearly point out the present inventive concept. Reconsideration and favorable action is respectfully requested.

Corrected drawings in compliance with 37 CFR 1.121(d) are required. Applicant has prepared a new set of drawings in which Figure 1 is designated as PRIOR ART and submit as a Replacement Sheet.

Claims 1-20 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Claims 1 and 11 have been amended to incorporate the Examiner's comments.

The disclosure is objected to because the "Summary of the Invention" is essentially a verbatim repetition of Claim 1. This has been corrected. Applicant has replaced paragraph [0004] in order to overcome the rejection.

Applicant has now made an earnest attempt in order to place this case in condition for allowance. For the reasons stated above, Applicant respectfully requests full allowance of the claims as amended. Please charge any additional fees or deficiencies in fees or credit any overpayment to Deposit Account No. 20-0780/CYGL-26,549 of HOWISON & ARNOTT, L.L.P.

Respectfully submitted,
